

U.C.C. GIFT ANNUITIES

A gift annuity allows a donor to deposit charitable gifts with a qualified entity during the donor's lifetime. The donor receives a fixed income from the gift for life, and at the time of the donor's death, any remaining funds are paid to the charitable entities that have been designated in advance by the donor. The United Church of Christ administers a gift annuity program that allows you to designate South Church as your ultimate beneficiary. Contact information for the United Church of Christ is contained in the United Church of Christ Gift Annuity Brochure that is part of this website or by clicking on the Gift Annuity Form link on the left side of the UCC Financial Development page at www.ucc.org/giving.

Should you have any questions or wish to receive more information, please contact Jed, Carlos, or any member of the Planned Giving Committee, at any time.
